Subject: Update your LN Calendar - Staffing needs

If you can't get into LN for any reason, just reply back to me your schedule week by week for the next 6 -8 weeks as much as you possibly can and I'll enter your schedule into LN. Don't forget to update the LN Duty Schedule too with as much trading as is necessary right now☺

Michelle also has a color coded scheduler in an attempt to display staffing projections for Saipan and Durango/Farmington assignments. That will go around a bit later I think

Please announce yourself of any availability for Saipan starting as early as next week.
